SHRI NILOTPAL BASU:

Will the Minister of COAL be pleased to state:

(a) whether Eastern Coalfields Limited has been referred to BIFR;

(b) if so, the reasons therefor and the break-up of its year-wise losses during the last three years and the total accumulated loss;

(c) whether any revival plan has been formulated by Government as a promoter for submission to BIFR and the Operating Agency;

(d) if so, the salient features of the same; and

(e) if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF COAL (SHRI JAGDISH TYTLER): (a) Yes, Sir.

(b) to (e) As per Section 23 of the amended Sick Industrial Companies (Special Provisions) Act, 1985, if the accumulated losses of an industrial company, as at the end of any financial year have resulted in erosion of fifty per cent or more of its peak net worth during the immediately preceding four financial years, the company is required to report the fact of the erosion to the BIFR within 60 days from the date of finalisation of the duly audited accounts of the company for the relevant financial year. As per this amended provision of the Act, Eastern Coalfields Limited can be deemed to be a potentially sick company as its net worth has eroded beyond 50% as detailed below:—

(Rs. in Crores)

	(As on 31.3.1995)
Equity	1039.00
Less:	
Accumulated losses	1000.24
Misc. expenses to be written off	29.52
	9.24

The reference to BIFR was made on 23.11.1995. As per Section 23A (3) of the above cited Act, if the BIFR is of the opinion that an industrial company referred to it is not likely to make its networth exceed its accumulated losses within a reasonable time while meeting all its financial obligations and that the com-

pany, as a result thereof, is not likely to become viable in future, it may require by an Order an Operating Agency to enquire into and make a report with respect to such matters as may be specified in the orders. Since no order that the BIFR has come to such an opinion about ECL has so far been received no revival plan has been formulated by the Government and no Operating Agency has been identified.
